

**UTAH DEPARTMENT OF TRANSPORTATION
CONSULTANT SERVICES
MARCH 1, 2007**

CONSULTANT'S MINIMUM INSURANCE REQUIREMENTS

The Consultant is required to provide the Utah Department of Transportation (UDOT) with Certificates of Insurance for the following minimum coverage.

- a. Each Certificate of Insurance must be project specific. This is accomplished by stating the specific Project (Project Number) and Project Description.
- b. The Certificate of Insurance must name UDOT and the State of Utah as an additional insured with the following minimum coverage. This is accomplished by writing the statement, "The State of Utah and UDOT are additional insured with respect to General and Automobile liability" on the Certificate of Insurance.

Workers Compensation Insurance With Statutory Limits

- ✓ Including Coverage B, Employer's Liability
- ✓ \$100,000 limit each accident
